THENTIA CLOUD
PAYMENTS

PAYMENT PROCESSING WITH AFFORDABLE PRICING

Fast, secure, and affordable payment processing tailor-made for the public sector.

Thentia Payments is an industry-leading payment processing solution that helps regulators and government organizations save money, eliminate cumbersome processes, and capture more revenue.

Thentia Cloud Payments enables our customers to service their end users at a significantly lower cost compared to other leading payment providers, saving you both valuable time and money.

We don't charge our customers expensive service fees. It's that simple.

Competitive Pricing

Costly convenience fees add up fast making it expensive to accept payments online. Affordable pricing is the cornerstone of our business.

Superior Customer Support

We take the complexity out of the set up process. With Thentia Payments, it's fast and easy to setup your business and start processing payments.

Fast & Stress-Free Setup

With Thentia Payments, you get all the support you need in one place, whenever you need it, with people who understand your business.

Advanced Security Safeguards

We deploy rigorous fraud mitigation and security measures to protect your organization, customers, stakeholders, and data.

Payment processing solutions to help public sector organizations focus on the important work they do.

Thentia Payments accepts all major credit cards, debit cards, and mobile wallets, as well as international cards and dozens of other payment methods. **Our fees start at as little as 2.75% plus $0.15 per transaction, with no setup fees or convenience fees charged back to citizens.**
